Subject: Stow Concrete Equipment

Gentlemen:

Thank you for requesting more information on our Concrete Vibrators.

Here is a copy of our complete catalog covering: eleven Roto-Trowel Models from 29" to 46"; three styles of tampers; concrete saws (6 h.p. & 8-1/4 h.p.) the Stow JSA screed package; the one-man twin-beam Porto-Screed; and our concrete vibrators. Also, we are enclosing technical bulletins on Grinding Concrete, Screeding Concrete, and Vibrating Concrete.

For more information on Stow Concrete Equipment contact your nearest Stow distributor.

Very truly,

STOW MANUFACTURING CO.
